

General Items.

The Louisiana sufferers will receive between \$25,000 and \$30,000 from San Francisco.

The Los Angeles board of health is expected to amount to two hundred thousand pounds.

Letters are sent to those who have earned it but burdensome to those who get it for nothing.

The President has signed the bill providing for a new government for the District of Columbia.

Over \$25,000 worth of salmon were shipped to Australia by steamer from San Francisco Sunday morning.

Sacramento Indians have secured the requisite number of signatures for an election under the Local Option law.

Mr. Disraeli's constituents paid his election expenses by voluntary subscription. They amounted to over \$1,800.

Two thousand penicillaria were sold in Salt Lake last year, which indicates a healthy condition of the baby market.

The Fibre Bank loaned last week \$100,000 at 5 per cent. and made small loans on real estate at 10 to 15 per cent.

In Paterson, N. J., there are twenty-five establishments with an aggregate capital of \$1,000,000 engaged in the manufacture of silk.

At Kansas, Sumner county, Utah, the earthquake of June 17th threw a large number of buildings and inflicted some damage upon buildings.

Two Stockton bricklayers are making 45,000 a day, the Palace Hotel taking all they produce. They expect to furnish 4,000,000 the present season.

The largest shipment of strawberries ever made from the Delaware peninsula in one day was made this season when 94 car loads were sent northward.

The whisky-bills for the San Francisco County Hospital, for the last six months, amounted to \$3,500—and then it was purchased by the whole sale.

The San Jose Mercury thinks "the woman mean something more in this conflict than local option. It is a struggle with them for political recognition."

The rate of postage on newspapers, after January 1, 1874, will be two cents per pound, and three cents on those published less frequently than weekly.

Two breaking of one of the ditches from Kings river has flooded a large tract of country south of Mussel Slough, and considerable damage has been done.

The liquor merchants have retained John B. Felt, to assist General Irwin and W. H. Patterson in their efforts to defeat the Local Option law before the Courts.

It is stated that according to the plans, the junction building about to be erected at Ogden for the Union Pacific and Central Pacific Railroads will be the finest on the continent.

The Colusa Farmers' Storage and Commission Company has incorporated; capital stock, \$200,000, shares of \$100 each. Also the Bank of Headlands; capital stock, \$100,000 in shares of \$100 each.

The Commis Council of Portland Oregon, passed an ordinance Thursday increasing the license of liquor saloons, forbidding them to women, and prohibiting the employment of women or girls in saloons.

CALIFORNIA will, it is thought, this year produce 12,000,000 gallons of wine, valued at \$3,500,000 and 2,000,000 pounds of raisins. Forty thousand acres are devoted in this State to the cultivation of the grape crop.

To cleanse the scalp, take a teaspoonful of powdered soap, mix it with water, and apply to the head with a soft sponge; then rub the head with a dry towel.

The Commercial and Savings Bank of San Jose has been incorporated with a capital of \$100,000, and succeeds to the private banking business of McLaughlin & Ryland and Company. This gives San Jose three incorporated banks.

A BOTTLE of Florida Ocean water is to be used by President Grant, July 4th, at the formal opening of the Illinois and St. Louis bridge. A bottle of Atlantic Ocean water will be used also, and thus the two oceans will be joined in imagination.

A SIOUX manufacturer of Boon, Nevada Co., has taken a contract of cutting 11,000,000 shingles. He has already commenced operations, and with the aid of two machines, which he has procured for the purpose, he is enabled to turn out 100,000 shingles per day.

An English chemist, officially employed to detect adulteration, reported forty faulty samples out of a hundred and seventy. Arrowroot was mixed with starch, coffee with chicory, milk with water, mustard with flour and turmeric, vinegar with sulphuric acid and oil of vitriol.

It is estimated that the deepest left by the late Mississippi flood in the cotton fields opposite Memphis is the heaviest and richest ever known. It is probable that the same result elsewhere. It is a known fact that a deposit left by a Mississippi river flood is the best fertilizer that can be used.

The premium list for the next State fair has been published. The prizes offered are liberal and numerous. Already many applications for stall room at the fair have been filed with the Secretary of the Society, and the prospects are that the next fair will be the largest yet held in the State, and more numerous attended.

SHAKING hands across the bloody chasm means something in Golden City, Colorado. A military company has been organized consisting entirely of soldiers of the Federal and Confederate armies. The captain has been given to a Colorado Union ex-officer, the first lieutenant to a rebel, and the second to a Maine man.

The Sioux Indians have at last commenced open hostilities. A dispatch from Bismarck, N. D., dated June 15, says: "Four hundred Sioux attacked Fort Berthold Indian Agency, Saturday, but were repulsed. Four Agency Indians were killed. Reinforcements were sent at once from Fort Stevenson, and no further damage is anticipated."

The Lakewood, Mo. says: Captains J. B. Robinson and W. B. Lake are now building a new steamboat for the Lake here, which will be ready for service in a few weeks. Her dimensions will be 75 feet in length, 14 feet beam and 6 feet depth. It is expected that the boat will be finished in about six weeks, at an estimated cost of about \$8,000.

Messrs. Van Dusen & Thompson, of Napa, have a wine-cellar of fair proportions known as the "Ulice Sam." The dimensions are 70x70 feet, one story high and 10 feet in the clear. The cellar, however, is to be located in the proprietors' contemplation turning out this year a quarter of a million gallons of wine. The cellar, used as of late, ranging from five to sixteen hundred gallons.

At Paris there are nine women's dressmakers and six milliners carrying on large establishments, and all of them men. These men are said to be remarkable for their refined luxury and elegant display. Neither of them ever goes abroad without a carriage or is behind except in the most complete and spotless costume. Thus while the women are endeavoring to invade the men's field of operations, the men are encroaching upon theirs.

Telegrams from San Carlos say the head of John Diley was taken into Camp Apache on the 14th. This ends another Apache campaign. The party which went in pursuit of the noted chief Charlie failed to get him, but struck a small band of Apache warriors, nine bucks, and reported Lieutenant Ward's command struck a rancher's and succeeded in killing ten bucks, captured five squaws and destroyed a large quantity of supplies.

Sen. Fane, in his address to the Cardinals, renewed his protest against the usurpation of the Papal States, the abolition of religious corporations, and other acts of the Italian Government. He is moved to allude to these subjects again, because he recently had received overtures of reconciliation, and had in his possession a respectful letter urging that, as the Vicar of God on earth, he should pardon his enemies and withdraw excommunications pronounced against them but declares that he cannot make peace with the enemies of the Church, and in conclusion, he exhorts the Cardinals to imitate the conduct of foreign bishops, especially those of Germany and Brazil.
